MEDTECH USA & ORTHOTICS

Human care. Dignity. Beyond digital.

EMPLOYEE WELLNESS

Bring wellness closer to the workday.

A practical starting point for employee-health and wellness programs.

Illustrative setting concept. Equipment and program scope vary.

Body awareness

BP awareness

Guided follow-up

BUILD YOUR FIRST SETUP

A wellness station.
A human conversation.

VISBODY ASSESSMENT

See the body differently.

Model-specific body and posture reports for guided wellness conversations.

HINGMED CLINICAL BP

Know the next step.

Explore a seated BP station for an appropriate clinical setting.

CLINICIAN-DIRECTED MONITORING

24-hour ABPM is a separate prescribed pathway, with professional review and patient eligibility checks.

Clinical BP stations: intended settings and adult eligibility must match the selected model. WBP-02A is prescription-only; not intended for people with diabetes, pregnancy or arrhythmia. Wellness assessments do not determine fitness for duty.

THE HUMAN EXPERIENCE

A place to pause.
A reason to engage.

Proposed setting concept - not a documented customer installation.

01

Welcome

Voluntary participation and a private experience.

02

Understand

A trained person helps explain the process.

03

Connect

Plan suitable professional follow-up.

LET’S MAKE IT CONCRETE

One site. A clear starting point.

Scope one employee-health location.

Choose a defined equipment package, site owner and purchasing route.

WHO	WHERE	WHEN
Audience + program owner	Site + space + staffing	Quantity + purchase timing

HR / BENEFITS + OCCUPATIONAL HEALTH + PROCUREMENT
