MB **MEDTECH USA & ORTHOTICS**

Human care. Dignity. Beyond digital.

CAMPUS WELLNESS

Body insights. A new way to learn.

Advanced assessment for staff wellbeing, adult learners and guided teaching.

Illustrative setting concept. Equipment and program scope vary.

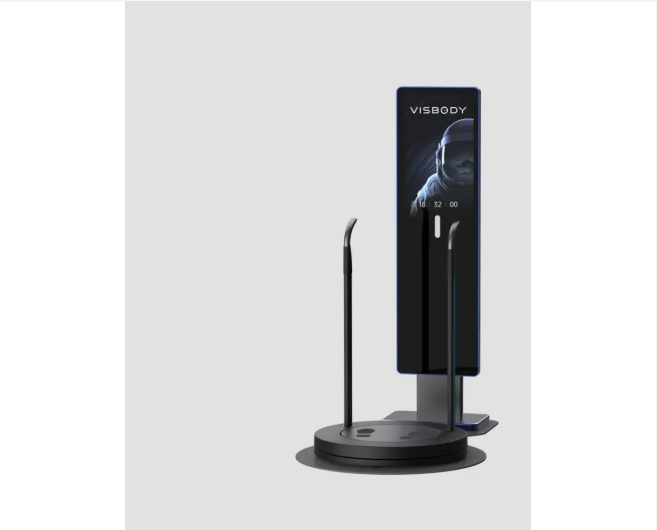

Staff wellbeing

Adult learners

Visual teaching

BUILD YOUR FIRST SETUP

Make the technology tangible.

VISBODY M60

A visual starting point.

Explore body and posture reports with qualified staff.

VISBODY T55

Movement in focus.

Discuss model-specific movement-assessment capabilities.

GUIDED REPORT DISCUSSION

Connect equipment demonstrations with learning objectives, participant understanding and a responsible program owner.

Start with staff and adult learners. Any younger-student program requires confirmation of model age limits, school approval, consent and privacy arrangements. Do not use wellness scores for grading, diagnosis or eligibility decisions.

THE HUMAN EXPERIENCE

An experience worth understanding.

Proposed setting concept - not a documented customer installation.

01

Explore

Introduce the equipment and its intended use.

02

Discuss

Make the visual report understandable.

03

Review

Connect findings with a qualified next conversation.

LET’S MAKE IT CONCRETE

One site. A clear starting point.

Start with one campus program.

Define the audience, learning or wellbeing goal, and equipment configuration.

WHO	WHERE	WHEN
Audience + program owner	Site + space + staffing	Quantity + purchase timing

STAFF WELLNESS + CAMPUS RECREATION + INSTRUCTION

REQUEST A SITE PROPOSAL

Sales@MBMedTechUSA.com

(305) 677-3455

MBMedTechUSA.com/retail-redefined

Ask for equipment, configuration, training, service, lead-time and commercial terms in one written proposal.
